Azulejos

Azulejos are Lisbon's signature craft — and this workshop turns them into an **unforgettable experience.** For two screen-free hours, participants paint traditional Portuguese tiles by hand. **They slow down, ease stress, and create a tangible souvenir (individual or collective)**.

No artistic skill is required. It's pure creativity, mindfulness, and team bonding, rooted in the city's history and spirit. A truly local moment that feels like Lisbon itself.

Terms & conditions

Bookings and payment

A 50% deposit is required to confirm the reservation. Full payment is due 48 hours before the event. If you need an invoice, please let us know at the beginning of the booking process and provide all the correct VAT information required by your company.

Cancellation and refund policy

Free cancellation up to 1 month before the event. After this deadline, the deposit is non-refundable. We can adjust the number of participants up to 48 hours before the event.

Damage of the tiles

Some cracks can occur during the firing process. This is inherent to handmade ceramics. If your tile cracks during firing, we will carefully glue it back together and set it in a cork frame, free of charge. The cork frame holds the tile securely, protects the edges, and makes it easy to display. This repair and framing constitutes our compensation for a cracked tile.

Late arrival

Please note that traffic is common in Lisbon. We recommend leaving your hotel 45 minutes before the start of the workshop. We allow some flexibility: maximum 2 hours for a 1-tile session and 2h30 for a 2-tile session. Any late arrival will result in a reduction of the workshop duration so as not to impact the kiln-firing process or any other group booked after you.
